I have lived at above address ~~with my husband, Michael~~ for about 4 years. my husband, Michael, and I ~~were~~ had been separated for about a year. In the early winter of 1963, I went to a party in Dallas, because I heard that some people would be there that spoke Russian. I was interested in the language. At that party I met Lee Oswald and his Russian wife <sup>Marina</sup>. About a month later I went to visit them on Kelly St. In May I asked her to stay with me because Lee went to New Orleans to look for work. About 2 weeks later I took Marina to New Orleans to join her husband. Around the end of Sept. I stopped by to see them while I was on vacation. I brought Marina back with me to Irving. He came in 2 weeks, but did not stay with his wife and me.

~~Through my neighbor I helped her get a job at Texas Book Depository.~~

~~Last night he came in about~~

Through my neighbor, we heard there was an opening at the Texas School Book Depository. She applied and was accepted. She did not spend last weekend there.

He came in about 5 P.M. yesterday and spent the night. I was asleep ~~that~~ this morning when he left for work.
